

# TAHOE CABIN SAUNA FUNDRAISER

In an effort to continue to improve your experience as a YSC member, The Lake Tahoe Cabin committee has been actively upgrading our YSC Tahoe cabin. In addition to keeping the cabin upgraded and in TOP Shape, it was decided that A Scandinavian Winter Cabin is NOT complete without a SAUNA!!

**Your participation can make this happen!!**

Single tiles will be sold for the project, to be displayed in the sauna area. Each tile will cost \$100.00 and may be dedicated to a Past or Present YSC member or family. This is a wonderful way to commemorate our members and keep our Young Scandinavian Spirit Alive.

A range of options are available as shown.
